Part Four

Institutional Framework and M&E

I. Background & MoP Governance

- **In 2001** The Ministry first established as Ministry of Federal Affairs ,
- **In 2015 "Ministry of Federal and Pastoralist Development Affairs (MoFPDA)**
- In 2018, Ministry of Peace, as Predecessor of MoFPDA,
- **MoP, has given Mandate of Multi-sectors Coordination & Alignment and also Multi-dimensional & Holistic** Peace Building, Development and Governance interventions
- **Central Focus of MoP is on Protective, Corrective Disaster Intervention Agencies**
- The mandates meant to be Building Resilience in Ethiopia, establishing Critical Institutional Mechanisms & Systems that will facilitate Sustainable Peace, Reconciliation, Inclusion and National & Social Cohesion, Federalism and **Ensure Pastoral Development in Ethiopia.**

MoP-Specific Roles on Pastoral Development

- The Ministry has been actively working on fully Coordinating & Integrating all **State & Non- state actors** on Pastoral Development and Pastoralism in Ethiopia,
- Current Roles & Responsibilities on Pastoralist Development are,
  - ✓ **Provides assistance** to Regional States particularly to those deserving special support;
  - ✓ **Coordinate, Integrate and follow up** supports given by other Federal Organs to Pastoralists and Regional States deserving special support;
  - ✓ **In collaboration with concerned organs** coordinate activities carried out in pastoralist areas to reduce poverty as well as to avoid draught vulnerability;
  - ✓ **In collaboration with concerned organs** coordinate activities that enable pastoralists to become beneficiaries of social and economic developments.

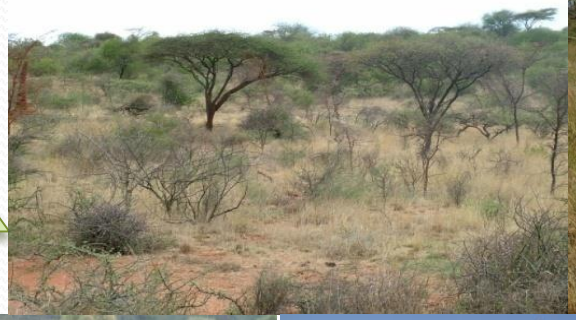
FDRE

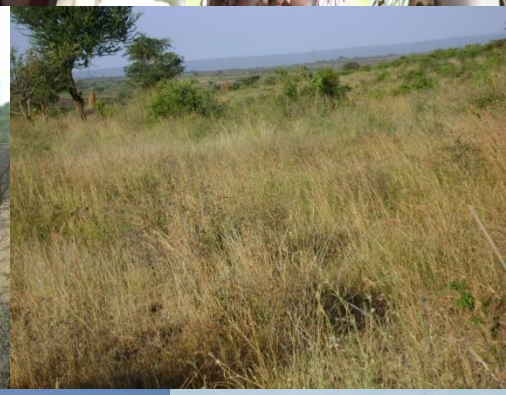
Pastoral Policy & Strategy

1.Area, People, Livelihoods and Potential

- From the total Pastoralists & Agro-pastoralists cover 60% of land mass with 15% of Population of the country,
- Reach in Surface and Underground resources, Huge Livestock, Mining and Tourism Potential,
- Historic Marginalization, Injustices & Discrimination,
- Dispossession, Forced Removal from their Ancestral lands and
- Inaccessibility to Rights & Freedoms

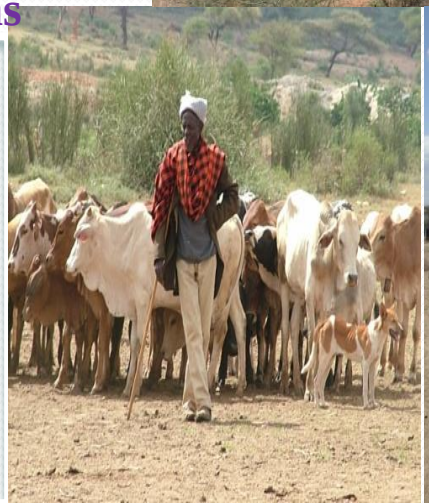
Understanding Indigenous Pastoral Systems, = a Unified Whole of Regularly Interacting and Interdependent Components or Units.





Pastoralism is:

a SYSTEM made up of Three distinct components that interact with each other to drive and sustain the system



2. Why? Pastoralist Development Policy? Driving Forces

- **EPD & Pastoralists Resolutions** (1991 to 2017- Need for Clear Policy & Institution)
- To meet **Constitutional Obligation** Described on Article **89(4)** ፡40፡41፡43፡ & 44,
- **National Policies**, Strategies and Programs that Recognizes Pastoralism as **Way of Life** and Demands Special & Holistic Human Centered Intervention approach on Pastoral Areas
- **Existing Opportunities** of Pastoralists for Sustainable Growth & **Capacity Gaps** that needs Strategic Interventions
- **The need to achieve** Sustainable Development Goals (SDG) and its Targets as Continuity to MDGs
- **Legal Mandate** Given & the Need to **Coordinate, Harmonize those Fragmented** and Unaccounted State & Non-State Actors Intervention on Pastoralist and Bring to One National umbrella

3. Pastoral Development Vision

To see a Pastoralist Community that is,

- Resilient to Manmade and Natural Disasters;
- An Improved and Sustainable - Livelihood basis, Environment, and Institutions; where,
- Democracy and Good Governance are ensured; and
- Peaceful and Inclusive development is realized.

3. General objective of the Policy

Realizing Sustainably Improved livelihood of pastoralists by recognizing Mobility as Viable way life through Integrated Livestock & related off farm development engagements leading to Pastoral Livelihood based Industrialization

4. Two Pastoral Development Policy Pillars

4.1 Policy Pillar One,

Improving the Livelihood Standard and Income of Mobile Pastoralists through increasing Livestock Production & Productivity and related off farm practices; (Maximizing and Commercializing Sustainable Pastoral Comparative and Competitive Advantages and Potentials).

- Recognizes Mobile Pastoralism as Viable way life- More than 80% of Ethiopian Pastoralists livelihood Basis and Major source of income is their livestock wealth, which also accounts large share in National Economy.

4.2 Policy Pillar Two,

Conduct Voluntary Commune Programs for those moving away from Mobile Pastoralism, to improve income sources and living standards (Diversification and Commercialization of Pastoral Livelihoods)

- The Policy recognizes some are Moving out from Mobile Pastoralism & Diversifies their Livelihoods,
- In areas where reliable Potentials -Ground and Surface water resources, Minerals and Sustainable Tourist attraction potentials- Pastoral Urbanization

5. Five Basic Preconditions & grounds for both Pillars,

- **Holistic Resource Mapping**, Planning & Management and Institutionalized & Legalized access & Unconditional **use right to Natural Resources**
- Integrated & Holistic **Ground & Surface water** Potential Development – Irrigation (Fodder, Crop & Vegetables), Power, .
- Livelihood centered & Area Specific **Pastoral Extension System** & Human Resource deployment (Livestock, Fishery, Crop,…..)
- Provision of Standardized **Basic Social Services & Infrastructure**, (Health, Education, Road, Telecom, Power,..)
- Pastoral friendly & well Planned **Pastoral Urban centers** liked to Livestock based **Agro- Processing & Manufacturing Industries,** Growth Corridors, Local & International Market & Access to Market Information

6. Four Policy Issues & Thirteen Implementation Strategies

6.1 Policy Issue One:

Increase Income generating capacity and Improve living standard of Pastoralists through **Strengthening & Commercializing Pastoral Production System.**

Four sectoral strategies are under these are,

6.1.1. Livestock & Fishery Development - Health, Feed, Market, Selected Breeds

6.1.2. Water , Irrigation & Energy Development,

6.1.3. Pastoral Agriculture- Crop, Fruits, Vegetables,..

6.1.4. Voluntary Commune Program in Pastoral Areas-

……FDRE Pastoral Development 13 Policy……..

6.2 Policy Issue Two,

Provision of Standardized Basic Social Services & Expansion of Pastoral friendly infrastructures and Urban Centers linked with industries to Modernize the life of Pastoralists.

Four sectoral strategies are under these are,

6.2.1 Health- -Access, Standard Service….

6.2.2 Education- -Access, Standard Service….

6.2.3 Urbanization – Pastoral Friendly, Linked to Agro-processing Industries, Growth Corridors

6.2.4 Infrastructures Development- Road (Access to Local & International Market, Standard Airports, Telecom, Power,

…..Four Policy Issues & Implementation Strategies

6.3 Policy Issue Three,

Building Implementation Capacity, Ensuring Good Governance and Constitutional Democracy …… Constitutionalism

Two sectoral strategies are under these are,

6.3.1 Good Governance & Democratization –

6.3.2 Pastoral Capacity Building- Human Resource, Systems & Organizations

…… Considering Customary Institutions, Local Knowledge & Wisdom as **Core Principles & values**

…..Four Policy Issues & Implementation Strategies

6.4 Policy Issue Four

Ensuring Sustainability and Reliability of Development and Progress of pastoralists by Mainstreaming critical Cross - sectoral issues in Economic, Social, Capacity Building and Governance issues. …… Sensitivity , Inclusiveness, Accommodative to Diversity & Emerging Dynamics

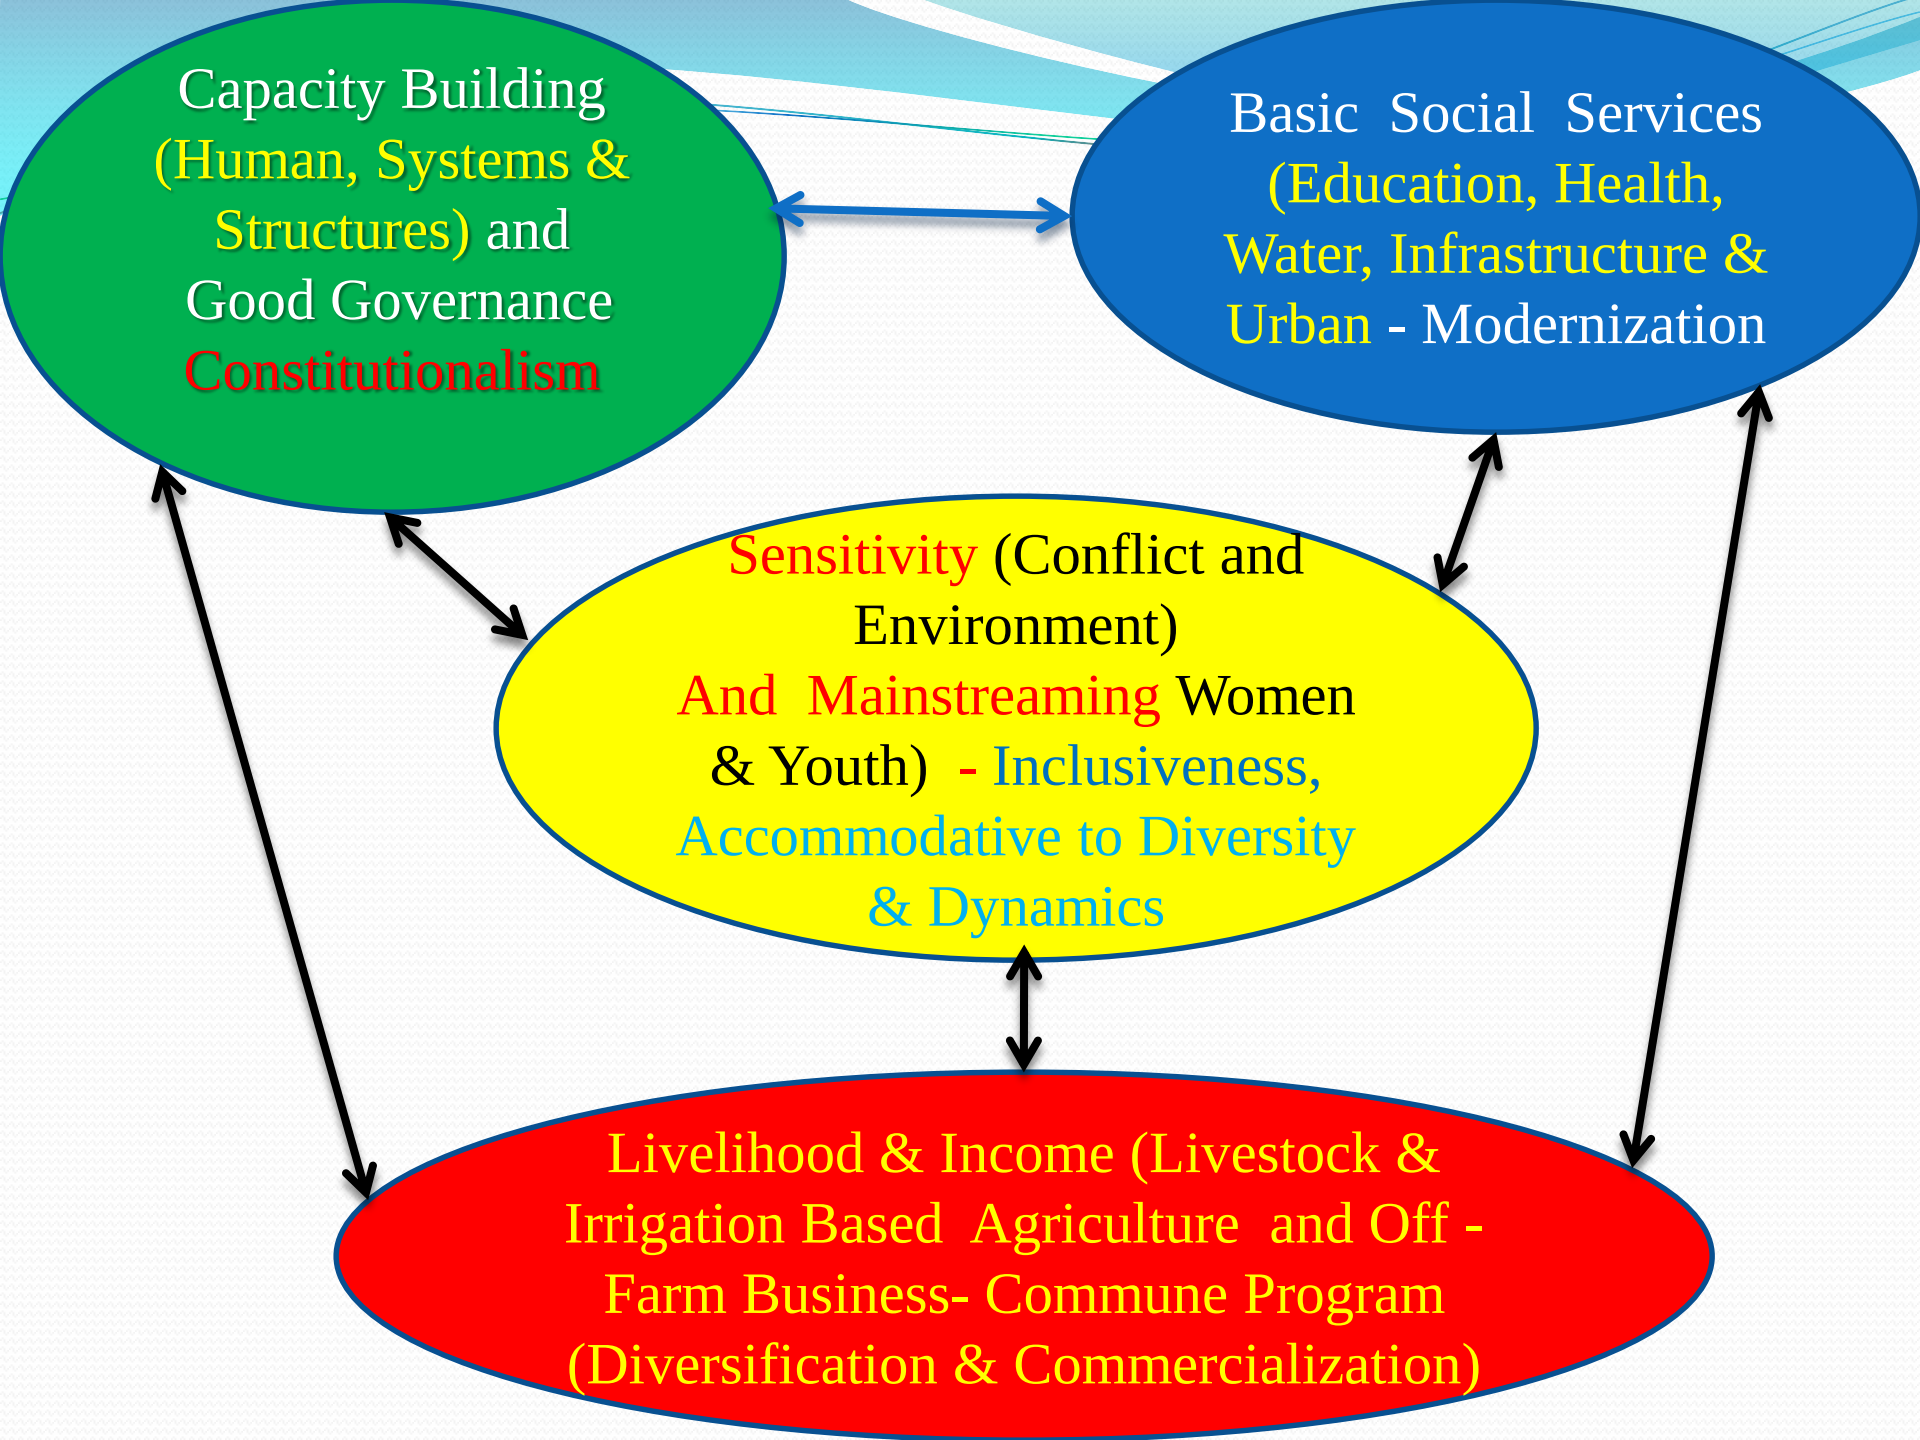
…**Three** sectoral strategies are included,

6.4.1 Conflict Prevention & Management

6.4.2 Pastoral Women & Youth Development,

6.4.3.Natural Resource & Environment Protection and Management

…… Considering Customary Institutions, Local Knowledge & Wisdom as **Core Principles & values**



Capacity Building (Human, Systems & Structures) and Good Governance Constitutionalism
Basic Social Services (Education, Health, Water, Infrastructure & Urban - Modernization
Sensitivity (Conflict and Environment) And Mainstreaming Women & Youth) - Inclusiveness, Accommodative to Diversity & Dynamics
Livelihood & Income (Livestock & Irrigation Based Agriculture and Off - Farm Business- Commune Program (Diversification & Commercialization)

7. Policy Implementation Governance & Institutional Arrangement for Leading Pastoral Resilience Building

- **Federal Sector Executive organs** be it Board Non board Member under the Direct Supervision and Direction of Inter ministerial Board and MoP are expected to Develop Sector based National Standards, Capacity Building Programs and Implement accordingly and accountable for ,
- **Regional States** as per their Constitution (52) are expected to Localize the framework to their context. And establish & strengthen implementing Institutions and Implement accordingly
- **Non State Actors** be it Local or International are Expected to fully align & integrate their interventions in pastoral areas to these Policy and Strategy Framework and National Pastoral Development Road map.
- Strategic Private Public Partnership on Policy Pillars & Strategies
- All State & Non State Actors Currently working and Planning to work in Pastoral Areas should Align their Interventions with Legally Mandated Federal & Regional Institutions, will be accountable for that

8. Federal Level Institutional Arrangements, …MoP – Has Three Institutional Arrangement for Implementing the Policy and Leading & Coordinating Resilience Building

8.1Federal Inter-Ministerial Board - on Pastoral Development

- Established by Council of Minister's Regulation,
- Chaired by Deputy Prime Minister.
- Ministry of Peace is Deputy Chair and Secretariat of the Board.
- The Board consists of different Federal Executive Organs,
  - ✓ Ministry of Agriculture,
  - ✓ Water, Irrigation & Electricity,
  - ✓ Ministry of Health,
  - ✓ Ministry of Education,
  - ✓ Civil Service Commission &
  - ✓ Three advisors to the Prime Minister with the rank of Minister

…Role of the Inter-Ministerial Board

- **Directs & Coordinates** the support of Federal Government, Neighboring Regional States & Development Partners
- **Provides Especial Support** for the regions in their effort to carry out Democratization & Good Governance, Sustainable Development and Capacity Building based on Pastoral Development Polices & Strategies.
  - ✓ Especial Budget Allocation , Training & Affirmative actions
- **Directs & Coordinates** National Programs for Pastoral Development –
  - ✓ PCDP (15 Years Multimillion dollars Program & Current Lowland Resilient Livelihood Program (LLRLP), Established under MoP & Financed mainly by GE, The WB and IFAD, and
  - ✓ Pastoral Areas Resilient Activity (PARA) – USAID
  - ✓ EU Cross border Interventions- on Conflict, Joint Development

8.2. Coordinating & Leading Protective, Corrective Disaster Intervention Agencies Accountable to MoP

With the new Multi- sector & Multi- dimensional mandate 8 **Protective, Corrective Disaster Intervention Agencies** are accountable to the Ministry, Namely,
